Off-Shift Production Engineer

Principle Duties and Responsibilities:

- Manage an off-shift production team inclusive of providing direction, positive feedback, corrective action, day to day workflow, and assist in the hiring process of union employees.
- Actively engages in the continuous improvement of processes within his or her control.
- Actively monitor and correct production problems within the area's Kanban system.
- Assist in the documentation of standard work processes and correct when necessary.
- Perform manufacturing engineering assignments with only general supervision.
- May write CNC Programs and advise production personnel on process, machine, or programming problems to ensure production standards are met and improved upon.
- May assist in cost estimating of production labour and materials.
- Must be a "hands-on" type of person to be where the work is being done.
- Must be able to take direction from day shift lead supervisor at times.
- All other duties as assigned by manager.

Qualifications (Educational/Experience):

- Associates degree in Manufacturing Engineering, Production Management, or equivalent experience and three years of relevant work experience.
- Strong Communication Skills: Verbal, Written, idea expression, and collaboration.
- Good organizational skills.
- Strong Computer skills such as Microsoft Office products, Database Management systems, AutoCAD, or other related computer skills in a production environment.
- Ability to interpret schematics, mechanical drawings, and other engineering information to produce manufactured parts or assemblies.
- Ability to use various types of inspection equipment.
- Working knowledge of GDT standards or the ability to learn such standards.
- Working knowledge of Geometry and shop math.
- Ability to lift up to 50 lbs occasionally.
- Ability to work in a shop floor environment the majority of the time in a workday.

Compensation/Benefits:

- Health, dental, vision, and life insurance
- 401K
- Education assistance
- Flex hours
- 15 paid holidays
- Fitness Center
- Business casual dress, and more.
