

Cobham Mission Systems Division

2734 Hickory Grove Road
Davenport, IA 52804-1203 USA

T: +1 (563) 383 6000

F: +1 (563) 383 6323

Senior Industrial Engineer

Principle Duties and Responsibilities:

- Acts as a Lean Manufacturing/Six Sigma internal consultant and team leader.
- May also handle a variety of special projects related to facilities engineering, new product development and introduction.
- Identifies resources (people, funding, equipment, facilities, etc.) required for assigned programs and prepares justification appropriate to obtain upper management approval.
- Conducts regularly scheduled program review sessions and reports progress to upper management, including the division President, on a regular basis.
- Administers Division Capital Plan, including assisting with project analyses and justification.
- Plans/Performs a wide range of complex manufacturing projects (productivity improvement, facility rearrangement, cost estimates, etc.).
- Performs a variety of financial analyses associated with cost reduction efforts and total product cost.
- Requires a high degree of technical and professional competency.

Qualifications (Educational/Experience):

- Bachelor's degree in engineering (industrial, manufacturing, mechanical, or similar), business administration or related field required. Master's degree in business is highly desirable.
- Three to five years of related experience including Lean Manufacturing/Six Sigma project experience desirable.
- Lean Manufacturing Certification strongly preferred.
- Six Sigma Green or Black Belt Certification strongly preferred.
- Ability to conceive and implement manufacturing studies regarding total production costs.
- Skilled in detail oriented work but also able to "see the big picture."
- Good organizational skills to independently manage multiple and conflicting priorities.
- Proficient in the use of a personal computer (word processing, spreadsheet and database applications).
- Excellent written and verbal communication and presentation skills.

Compensation/Benefits:

- Health, dental, vision, and life insurance
- 401K
- Education assistance
- Flex hours
- 15 paid holidays
- Fitness Center
- Business casual dress, and more.
